Home Highlights

Main Level

Entry – 12 foot ceilings and marble flooring create a stunning first impression.

Dining Room – Formal dining room is adjacent to the entry foyer and separated by enameled pillars. This room also features 12 foot ceilings, marble floors, recessed area for a hutch and large windows with overhead trapezoid transom windows.

Great room – Open to the foyer and formal dining room, the great room overlooks the backyard, pool and golf course. A gas fireplace with marble surround and 12 foot ceilings highlight the space.

Den/Study – Separated from the great room by beveled glass double doors. Amenities include 10 foot ceilings, golf course views, and two walls of built in maple cabinetry and bookcases.

Kitchen – Spectacular kitchen features an informal dining area overlooking the back yard, hardwood flooring, extensive cabinetry with two counter seating areas and glass front accents. Recent updates include new appliances, marble counters, glass tile backsplash and cabinet hardware.

Master Suite – The main floor master suite is a true owners' sanctuary! Ten foot wide sliding glass doors lead to a 6 x 14 deck overlooking the golf course. His & hers closets separate the sleeping area from the luxurious master bath. A curved wall glass block shower is the stunning centerpiece of the master bath. Enameled columns surround the whirlpool tub, enhancing the spa like feeling. Vanity area includes dual sinks, ceramic tile floors and built in linen storage.

Bedroom Wing – Two bedrooms and a Jack & Jill bath are situated on the north end of the home. Each bedroom features a walk in closet and dressing area. The bath area with ceramic tile floors is located between the two bedrooms.

Laundry – The laundry room is conveniently located off the kitchen area in the main floor bedroom wing. Built in cabinetry offers plenty of storage and space for folding clothes or doing crafts. Other features: ceramic tile floors, utility sink and built in ironing board.

Lower Level

Gym – Great space for working out, crafts or a second home office with large windows overlooking the backyard and pool area.

Finished Storage Area – Completely finished with plenty of built in cabinets.

Bath – Oversized ¾ bath was designed with an extra large shower and space for changing to accommodate swimmers. In addition to the indoor entrance, a separate door to the outside offers direct access to the bathroom from the pool area.

Family Room & Media Room – Nine foot ceilings and twelve foot wide sliding patio doors in the lower level enhance the feeling of light and spaciousness. Media room features 18 feet of maple cabinetry with a built in 52” television with surround sound. All wiring for the media components can be access from the mechanical room.

Amusement Room & Sitting Area – This space is separated from the family room by a two sided stone fireplace. The amusement room hosts a built in wet bar with Corian counters and a built in wine rack. Ten foot sliding glass patio doors lead to the outdoor pool area.

Fourth and Fifth Bedrooms – Lower level bedrooms overlook the backyard through double wide casement windows. One bedroom hosts a walk in closet; the other bedroom features a double closet.

Pool – The in ground pool is 18’ x 36’ and is 6” deep at the deepest end and is surrounded by concrete decking. A new high efficiency heater was installed in 2008. Fencing separates the pool area from the rest of the back yard.

Property – Located in Woodbury, minutes from Highways 494 & 94 - be in St. Paul in ten minutes, or to the airport in 20 minutes. Prestwick Golf Course is an 8 hole, par 72 championship course renovated by Kurt Sandness and is recognized by the National Audubon Society for eco-friendly landscaping. The clubhouse hosts Axel’s bar and restaurant overlooking the 18th fairway.
