

- 🏡 Welcome to 51 Dellwood Cove. This stunning five bedroom, five bath home sits on a fabulous 2.3 acre lot and backs up to the signature 18<sup>th</sup> hole of Dellwood Hills Golf Club. From the private setting and stately exterior to the marvelous gardens and exquisite updates, the home is truly an extraordinary find.
- 🏡 Living here gives you the benefit of a quiet, private setting with the added convenience of easy access to major freeways and charming downtown White Bear. You are minutes to Stillwater, White Bear Yacht Club and only a short commute to either downtown.
- 🏡 Walking in you'll instantly appreciate the warmth and character of the home. In the sizeable foyer you'll have the first glimpse of the detail and flair with which the home has been decorated. The European feel of the home gives it an amazing feeling of comfort and richness.
- 🏡 The main floor has a wonderful combination of formal and casual spaces. The sunken living room is centered on a stunning wood burning fireplace with silver leaf accent woodwork. The bay window is graced with custom silk draperies that compliment the space and wood flooring. Through the French doors you walk into a sunroom (currently being used as an office) which overlooks the back yard and golf course. The fabulous amount of windows allows for a perfect amount of light and nature right outside your window.
- 🏡 From the sunroom you can walk out to a lovely sitting deck or continue to the main floor family room which boasts a double sided fireplace, beamed ceiling and an ideal spot to read a favorite book in front of the fire. The two sided fireplace leads you into the informal dining space which is enhanced by an exquisite wet bar. This room is highlighted with distressed beams, Old World Plaster finish on the fireplace and more beautiful wood flooring. The bar is accented by hand blown glass pendants (by renowned artist Dick Huss), blue glass counters that light up, a wine fridge, Miele dishwasher, copper sink and fixtures and Bose speakers.
- 🏡 Moving forward you step up into the recently remodeled kitchen. The French Provincial flair is evident here with creamy, light color cabinets, warm tone granite counters and stunning décor. The kitchen features a large center island workstation with prep sink, breakfast counter for seating space, cooking and serving. The Wolf downdraft 4-burner gas stove, trash compactor, 2 Miele dishwashers, 2 Thermador warming drawers, Sub Zero refrigerator, 2 refrigerated drawers and under mount farmhouse sink are just a few examples of the thought and detail that went into designing the kitchen. Once again a set of French doors leads you to a deck and stunning view of the backyard and golf course.
- 🏡 The main floor also features a large formal dining room with bay window, laundry with new Kenmore Elite extra large washer & dryer as well as a half bath and powder room off the foyer.
- 🏡 Four of the five bedrooms are on one level and are separated by a large landing at the top of the stairs. Bedrooms are generous in size and offer comfortable closet space as well as a nice size remodeled bath. The owner's suite includes a sitting area with wood burning fireplace and private Romeo and Juliet balcony. The master bedroom is very spacious and offers a walk-in California closet as well as a large bath with a whirlpool tub, walk-in shower, double sinks and charming lacquer finish cabinets.
- 🏡 The living space continues in the lower level with a two part recreation room that is accented with a two sided, brick fireplace, a large fifth bedroom with fantastic walk-in closet and one more bath. The lower level also walks out to the backyard patio and the many wonderful sitting areas.
- 🏡 The green space of this house is simply amazing. From the wonderful landscaping "island" in front of the house to the many paths and sitting nooks in the back, you can very easily drift off in thought and just relax. The quiet and serenity of the backyard is breathtaking. You can sit in the gazebo and enjoy a mosquito free evening or sit back on the patio and watch golfers pass by. The old world stone work has been featured in local and national newspapers and magazines, highlighting the beauty of the setting.
- 🏡 The home is ideal for those who enjoy comfortable, upscale living with the added benefit of convenient access to daily needs. Those who love to cook will enjoy the entertaining space and many areas of the home inside and out that allow for spending time with family and friends. For the golf enthusiast there is not only the spectacular view, but fabulous access to the Dellwood Hills Golf Club. For the gardener there are 2.3 acres to love. This stunning old world charm home is truly a diamond in the rough at a price point that is hard to find. Welcome home.
